

Bridgeport Auction Parent Donations Needed!

Planning for this year's Bridgeport Auction is in full swing. Last year, with the help of generous family members like you, we were able to raise \$31,000. All funds raised by the Bridgeport PTA enhance the quality of education our children receive. This year, we hope to raise a much needed \$35,000 to buy a mobile laptop computer lab, but need your help!

We invite you to partner with us in support of our biggest annual fundraiser. Here's how you can help:

1. Consider donating an item for the auction.
 - **Donation Ideas –**
 - Gift Cards to local restaurants or Retailers. All of us have a couple buried in our wallet that we will probably never use. Or ask the Manager when you are at your favorite restaurant!
 - Tickets to events – Do you have Season tickets to the Blazers? College Football? or Concerts, Plays, Etc.
 - Vacation Home Getaways- These are great sellers!
 - Host a party – Progressive dinner, Poker, Bunco, Mother Daughter Spa, Murder Mystery, Cuisine of the World, Wine or Beer Dinner, Line dancing, Family Softball Game and Picnic. You get the idea.
 - Gift Baskets. Or even individual items you think would fit well in a basket. We can bundle them for you.
 - Professional Services – landscaping, tax preparation, tutor children in academics or help them train for an upcoming sport, music classes, graphic or interior design, residential painting. The options are limitless.
2. Make a cash donation. These tax deductible donations will be used to purchase large auction items and to cover the expenses involved with hosting the event. **Bridgeport Elementary is a 501 (c)(3) non –profit corporation, tax ID 93-0479868**
3. Be sure to save the date! Join us May 15th at the Crowne Plaza in Lake Oswego for a fun night with your school community.

CONTESTS:

1. The classroom that turns in the most donations wins a special lunch.
2. Parents get entered into a drawing for dinner for two with each donation procured that is worth \$20 or more.

On behalf of the students, faculty and staff at Bridgeport, we thank you for supporting our school and investing in our children's future!
