

Bridgeport Auction Teacher Treats Registration Form

Registrations for the Teacher Treats will be accepted in the main office beginning tomorrow--Tuesday, February 9th. We would like to receive registrations by Friday, February 12th. Turn in your forms early, as space is limited. We will make our best effort to place every student who applies into the event of his or her choice, but please keep in mind that spots are limited. Therefore we will employ both a first-come, first-served approach as well as a "lottery" system if needed.

Use a separate Registration Form for each student. Additional forms are available in the Bridgeport office. You must complete the entire registration form to be registered. Return this form to the Bridgeport office as soon as possible, with payment attached. Parent will be notified of the event the child has been placed in. If placement is not possible, their check will be returned. If placed in an event, payment is non-refundable.
