

Bridgeport Elementary's 4th Annual Dinner & Auction

Teacher Treats

As part of the auction, Bridgeport staff members have again volunteered for fun student-teacher "events." Money raised will help the auction reach its goal of \$35,000 to support Bridgeport Elementary Mobile Laptop Computer Lab. These events are open to all students; you do not need to attend the auction to participate. To sign your child up for an event, fill out the attached permission slip and send your form, plus the required fee, to the school office. Events will be filled on a "first come, first serve" basis. Registrations must be turned in by **Friday, February 12, 2010.**

Please note, the event is sponsored and chaperoned by the teachers, but transportation to and from the event is the responsibility of the parent. Prices range from \$10-25 per event and are noted for each.
