

Byrom Scrip Program

What is Scrip anyway?

Scrip is simply another form of money. Scrip certificates are gift certificates or gift cards from your favorite stores. You present the Scrip at the cash register just as you would present cash, credit/debit cards or checks to pay for your purchases. Scrip helps raise funds for the Byrom PSO to support field trips, grade level educational events, assemblies, etc., and 25% of the profits from your Scrip purchase go directly back to your child's classroom all year!

How does Scrip work?

We buy Scrip at a discounted rate and sell it to you at face value. The discount ranges from 2% to 43% depending on the Scrip vendor. For example, when you buy \$100 worth of Fred Meyer Scrip from us, the PSO buys it from the district for \$96. The difference (\$4) is the PSO's profit. You get full dollar value (\$100 worth of gift cards for your \$100 purchase) – it costs you nothing to donate that \$4 to the PSO!

How do I buy Scrip?

You can print out an order form by logging on to the Byrom website www.ttsd.k12.or.us/byrom-elementary or you can pick one up in the school office.

- a. Completely fill out the top left hand corner of the form, it is very important. Also make sure to order carefully as cards cannot be returned.
- b. Indicate the Scrip you want and how much of each denomination (for example, 2 \$50 Fred Meyer cards.)
- c. Add up the total amount of Scrip ordered. Indicate whether you will pick up your order in the office or if you want the order sent home with your child. Make checks payable to: Byrom PSO or provide your credit card information on the bottom of the form. **While credit card purchases are convenient, keep in mind that 2% of the gross amount goes towards paying credit card transaction fees.**
- d. Return order forms with payment to the secured PSO mailbox in the Byrom lobby. All orders received by 12 noon on Monday (or Tuesday by 9 a.m. when no school on Monday) will be ready for pick up or sent home with child on Thursday of that same week.

What is a Standing Order?

You'll never have to remember to send in an order form again and you'll help Byrom kids every single month. We'll keep your order form and your credit card information on file, order Scrip for you and send it home either once or twice a month, as you direct.
