Whether your affiliation with our school is through parent association or your office is located in our school neighborhood, we wholeheartedly invite you to become our scrip business partner.

In tough economic times like we are all enduring right now, fundraising efforts can sometime fall flat. Although we may not be inclined to buy extra or unnecessary things like the usual school selling products of candy, pepperoni, or gift wrap----everyone still needs to EAT and buy ESSENTIALS!. . .and, schools still need to raise funds for materials and programs! That is why our school participates in Scrip as it is a unique and creative program in which all parties win---with school parents and other supporters only buying the things they ordinarily need to buy anyway---like gas and groceries!

SCRIP, just another name for substitute money, is regular store gift cards and gift certificates. Parents and school supporters ---like YOU and YOUR EMPLOYEES---order gift cards and the discounts provided by the stores create the profits for our school. It's really that simple!

This program is at NO Extra COST to you or your employees! It is just a DOLLAR for DOLLAR exchange for the same value of gift cards at any of the 200+ participating stores. Attached is a Personal Order Form so you can see the wide variety of stores from which to choose and also the discount our school receives from the store.

Here is how the program works:

We will provide your office with a supply of Scrip Personal Order Forms to give to you and your employees. Each week during the school year a school representative will come by your office to pick up the completed order forms, and then personally deliver the individual employee orders back to the office the same week. A monthly, quarterly, or holiday-only time schedule can also be an option if you prefer.

~ Benefits to your Business ~

1. We do all the work. We pick up your orders and deliver to your office.
2. Over 200+ choices of store gift cards that can be used as holiday gifts for employees or charity, or as incentives and appreciation for your clients, patients, customers, or employees.
3. Gift cards can also be used for purchasing office supplies, dinners for clients, coffee and food for meetings, gas/maintenance for company cars, office redecoration, or petty cash.
4. Your supporting efforts will be recognized in our newsletter and parent communication tree.
5. You will be an advocate for education and a champion for our school!

Scrip is easy, fun, and it works! We welcome you as our school partner!

Call today and we'll start serving your business tomorrow!

Winning is mutual when we all work together!

How to Help Boost Your Scrip Sales

A Letter to Recruit Businesses to Order Scrip from Your School

This sample letter may help you recruit businesses ----that your school parent's own or businesses that are just located near your school----that may want to order scrip during the holidays---or ongoing to give as incentives for their employees. You can copy the letter and copy and attach a Personal Order Form and take to them. Many businesses give their employees gift cards for holiday gifts and they would appreciate having the personal service and being able to support their local school.
