

Extra Fundraising Programs

In our efforts to assist you with fundraising, we have expanded our offerings to present these new opportunities. Declining school budgets and reduced giving to churches and non-profits---all due to the current economy---makes it imperative to consider creative ways of replacing revenue.

The Chinook Book (GREEN means money! \$\$\$)

12th Year of
School Fundraising!

Schools / Groups Receive Up to 50% Profit!

\$20 Printed Book _____ **\$10 profit to group per Book**

\$10 Mobile Pack (iPhone/Android App) _____ **\$6 profit per Mobile App**

\$25 Combo Pack (Book + App bundle) _____ **\$11 profit per Combo**

The Chinook Book is a very popular local area store coupon book that offers **500+ coupons with \$3000 in savings!**

A specific Chinook Book Order Form will be made available to all your customers who will have a 4 week period in which to turn in their order. Coordinators will collect all order forms and send the Scrip Center ONE composite order at the end of the Campaign. Coordinators may want to buy a few extra books for late orders, selling on the spot, or at later fall events. Chinook will bundle each school's total book order and deliver to the Scrip Center where the scrip coordinators will pick them up on the specific established date of delivery. It's an EASY, FAST, and PROFITABLE fundraiser!

Moolala (ooooh la la---it's moolah! \$\$\$)

It's an email coupon fundraising program!

Non-profits earn 2% from coupon sales--so, it's better than Groupon!

Plant the "e-seed"
and watch it BLOOM!

2% profit to school or group

Coupon price varies

Supporting customers register on their school/group special Moolala site so their purchases of store coupons help raise money for their schools and non-profits! NO cost or obligation to anyone!

Every day Moolala will send out a new national or local store, restaurant, or product coupon to your cell phone or email address. Customers register on their own school/group Moolala website so their school will get the profit from whatever store coupons they purchase. Customers have the option of making the purchase, passing it onto others, or simply deleting it.

2% of whatever their order amount is will go into their school/group account! Funds are sent by Moolala via check or account is credited per your preference. The more people that participate the greater the profits---this is an ongoing program that will grow All sales and account balances are available for coordinators to see on their school or group Moolala website. This is an ongoing program that will grow in profits as supporters share the web link and get the word out.

To register your school or organization go to: **www.scripcenter.moolala.com** (Be sure you school/group has an email account, or you u can start a new one in Google or other)

Subway Lunch Program (Raise money by eating! \$\$\$)

6% Profit PLUS .50 per lunch Profit

\$15 and \$100 gift cards (new denomination!)

NEW this year!
GLUTEN FREE bread!

Subway has a great program to help you raise additional money above their gift card discount!

Schools: Establish a program at your school and send out Subway Lunch Order Forms to parents. There are 3 lunch options for kids and Subways deliver right to the school! Subway gives your school \$.50 per lunch ordered PLUS the 6% scrip discount when you pay with gift cards! LOTS of schools are doing this and parents love to come on Subway day to have lunch with their kids! Checks mailed each month---on average, schools earn over \$400 a month!

Schools with cafeterias can purchase Subway products at a very large discount and then resell for more, but still below retail. Also, a good choice lunch for school Teacher Appreciation Day, Volunteer Recognition, or Classified Employee Day.

Non-profit Groups: Order lunches for scouting events, sports events, vacatin bible school, meeting, officer retreats, year end picnics, coaches and volunteer appreciation, etc.

Businesses: Get businesses in your area to order gift cards through your school/group. Individuals can buy the gift cards directly from you or however you arrange. Companies that have lunches catered can establish a partnership with Subway and order cards from you to pay Subway at the end of each month.
