From Our Principal

Parking Lot Safety

Please remember that the speed limit is 5 mph at all times in our school parking lot. Personnel on morning duty have reported close calls with families walking through the parking lot and cars coming up on them too quickly. We have also had issues with cars moving too fast through the cross walks. The slower speed is expected as you move through the drop-off line and as you enter and exit the parking lot. Safety first – always!

New Automated Library Notices

This week students and parents received overdue book notices via email for the first time. Parents who have email addresses in our eSIS system received the reminder and teachers received the reminders for families without email addresses. Please return the overdue books as soon as possible. They should be on the shelves for others to enjoy. If a book has been lost, you may pay for its replacement in the Main Office. Thank you!

Foundation Donation

The Foundation for Tigard Tualatin Schools recently donated \$825 to Woodward. The donation is our school's share of the proceeds from the "Art in the Burbs" event and is designated for supporting the arts. We plan to use the fund towards the purchase of new stage curtains. Phase one of this update was completed last year with the purchase of the black back curtains. This year you will see new velvet curtains at the front of the stage. This enhancement to our facility will be enjoyed by our school community for many years to come.

Thank you for supporting for the Foundation, which in turn supports every school in the district.

Vision & Hearing Screening

This year vision and hearing screenings for students will be conducted by the Oregon Lions Sight and Hearing Foundation on January 23. Grades K-5 will be tested for vision and grades 1-5 will also be tested for hearing.

To make these screenings successful, please be sure your child gets plenty of rest the night before and brings his/her eyeglasses if they wear them.

We will need 25 volunteers to run the screenings, so if you are willing to help out please contact Karen Emerson at 503-579-3955 or the Main Office at 503-431-4700.

Volunteer training will take place at 8 AM on screening day. The screenings should take the majority of the school day.

Thank you in advance for your willingness to help!
