

Templeton Site Council General Information

Why Have Site Councils

- Development begun in 1980s to:
 - Share decision-making processes at the local level - Importance of diverse and balanced representation
 - Broaden involvement of the community
 - Establish and achieve loftier goals
 - Improve implementation of strategies
 - Enhance the “culture” within the school

Where Do Site Councils Fit In?

- Collaborate with principal on:
 - School goals (aligned with district goals and measures of success)
 - Criteria or plan for professional growth for staff
 - Grant writing regarding school improvement
 - Establish operating procedures for the council

What Will Be Our Focus?

- Build upon past success/strengths
- Prioritize targets
- Brainstorm strategies
- Engage other resources in the community
- Share, share, share (ideas, responsibilities, encouraging words, etc.)
