## Don't Get The Boot!!

1. General student parking is in the south lot. There is designated overflow student parking in the north lot. Student cars parked anywhere else may be booted/fined or towed. Parking lot fines are \$30. Towing may be upwards of \$100. Inappropriate parking includes, but is not restricted to:

- parking in the staff, visitor, or pool area
- parking in VIP area (without VIP approval)
- parking in a designated handicapped space
- parking in a fire lane
- parking next to painted curb
- parking in driveway/entrance

2. Reckless driving, leaving campus without permission, transporting students during school time may result in revocation of parking permit.

3. Parking permit is to be used only by the student it is registered to and in the car(s) listed on the registration. Students are expected to update their car registration anytime there is a change of vehicles.

4. **Parking permit is to be displayed to the outside on the rear view mirror.**

5. Lost permits will be replaced at full price.

6. Parking Permits are intentionally "over sold" to accommodate more cars because many students do not drive every day. Parking spaces are on a first come, first served basis. In the event all spaces are filled, students may NOT park inappropriately. INAPPROPRIATE parkers may be booted/fined/towed.

## THIS IS YOUR WARNING!!

I have read these rules and understand the expectations as well as the consequences.
