TAKE A LOOK AT WHAT YOUR SUPPORT HAS DONE:

Here are a few highlights

2010 JOG A THON UPDATE:

Thank you so much to the students and families who donated to the Jog A Thon!

Here is an update on some of those funds:

We would like to introduce the new **Titan Game Room**. Located in the upper gym, the room boasts 6 air hockey tables, 3 pool tables, 2 foosball tables and a myriad of ping pong tables.

Sporting a fresh new look, the room is currently open to students during open lunch activity time and specials during PE as well as ASA. The space is a perfect spot for up to 40 students to enjoy a nice reward & relax with friends.

Jog A Thon also provided a fresh new look for our Twality Track. With lines and numbers, staggered starts and the 100 yard dash, students are ready to hit the ground running!!

Our new bleachers– Thank you to Tigard Youth Football families for putting them together!!

LIBRARY NEWS

Dave Whitcher, aka MegaMath, strums his guitar in his Twality Middle School classroom. The math teacher has made a name for himself for his innovative songs about math, which has led to a CD and a trip to Salem to perform for the Oregon Legislature.

PSO endorses Mr. Whitcher's MegaMath concept! For the full story, please visit the Tigard Times at: www.tigardtimes.com/news/story.php?story_id=129550328386545200
